To Think About:

1. **How would you describe a relationship to God with someone who has never heard about Jesus?**
2. **How would you describe your relationship with God? When do you feel close to Him? When do you feel far?**
3. **What are some of the special ways that you believe He speaks to your heart?**
4. **Just between you and God, what is your relationship really like?**
5. **How does God view your relationship with Him?**
6. **What makes us able to have a relationship with God?**

As folks are comfortable, we will share some of our experiences with God.

We will focus on our relationship with God through His eyes. What does He, in His Bible, tell us about a relationship with Him?

Some Info:

- Please come casually.
- I will have decaf or herbal tea and decaf coffee available. Feel free to bring your own beverage if you wish.
- I hope to have some sort of “nibblies” available. I welcome any help if you wish to offer to bring some snacks.
- Take care walking up the sidewalk. Sections are old and broken or cracked.
- This is a no homework book. *Having a Real Relationship* with God by Kay Arthur. We will go through Bible verses learning some study techniques and with questions along the way.
